

PLANNED GIVING (Weekly Envelope Collection): €2,412 Your continued support is very much appreciated.

Taizé Prayer is prayer of the quiet. In an atmosphere of candlelight it's gentle words and hauntingly beautiful music speaks to our **heart** ... and to our **spirit** ... and to our **soul**. It speaks to us always of the light in the darkness. Come next **FRIDAY NIGHT (for 8 pm)** to St. Patrick's Church and allow this grace of gentleness and peace and healing to become one with your journey. Especially come if there is absence in your heart, because someone you love has died. This is a very beautiful and gentle way of being present to the Spirit of Healing. It may be **you will find peace here**.

DO NOT MISS THIS! Méabh Carlin is a 20 year old student teacher from Lurgan. She has a wonderful passion for life. A joy that is contagious. A gift for music and dance (especially ballet), and a great energy for all she takes on. She is also gifted with an extraordinary faith in Jesus Christ. Last year, Méabh joined with the other one million young people at World Youth Day in Madrid. While she was there, a taxi hit her on the road shattering the lower part of her body. In her own words, Méabh recalls,

"I remember lying in the hospital and feeling so alone. I prayed to God: 'Please don't leave me alone, oh God, oh God. Then I felt peace come over me like a warm blanket'".

Earlier this year Méabh spoke at the Eucharistic Congress about her journey of healing and faith. Her testimony gave hope and inspiration to all who heard her. We are fortunate, and thankful, that Méabh has agreed to give testimony at the **6.30 Mass on Saturday 17th November in St Patrick's Church Celbridge**. This is a grace given to us. Don't keep this to yourself. Tell young people especially. **DO NOT MISS THIS!**

Letter from Diarmuid Martin, Archbishop of Dublin

My dear People,

I write to you on the occasion of the Annual Collection for Catholic Youth Care, the Dublin Diocesan Youth Agency.

In today's Gospel, Jesus praises the poor widow who gives all that she has to those who are even poorer than herself. I'm grateful for your great generosity to CYC over the years.

Catholic Youth Care provides services in many areas hit by unemployment, poverty, drug addiction and homelessness. They provide a range of services throughout the diocese including:

- Summer Projects, Youth Clubs, Adventure Sports and Outdoor Pursuits
- Breakfast Clubs and Lunch Clubs for young people who don't have sufficient family support
- Youth Cafes where young people meet and socialise in an alcohol free environment
- CYC operates Centres in Arran Quay, Swords/Baldoyle, Arklow, Bray, Clondalkin, Ronanstown, Deansrath, Bawnogue, Dun Laoghaire, Sallynoggin, Dundrum, Churchtown, Ballyogan, Finglas, Lucan/North Kildare and Tallaght.

In the near future, after reflection on the services provided by the Archdiocese of Dublin in the social care and youth fields, the Archdiocese has decided to reorganise and combine the resources of CYC and Crosscare. This reorganisation will strengthen the capacity to deliver services and support to those who need them most by pooling resources, sharing facilities and working cooperatively.

There is no Share Collection today. I appeal to your generosity for this special Collection for Catholic Youth Care.

Yours sincerely in Christ,

+ Diarmuid Martin , Archbishop of Dublin.

COME & SEE

All over the world (including Celbridge & Straffan), many people are looking for more than what Sunday Mass, alone, can offer. To meet this need, there has been an "explosion" of **small groups** of Christians coming together to live and share life in Jesus Christ. These groups are known as Basic Christian Communities, and Pope Benedict says their arrival is sign of the **Power of the Holy Spirit**.

One of these groups is called the **PARISH CELL MOVEMENT (PCM)**. A worldwide movement of the Spirit, the PCM came to Ireland 20 years ago, and is now in more than 40 parishes. There are indications that the Spirit is moving to build up this group in our parish.

These indications include:

- The very successful *Come & See* programme held in our parish in May
- The holding of two 'Parish Cell Group' meetings in our parish over the Summer
- The desire of a number of our parishioners to explore more about the PCM

There is now an opportunity to find out more, or to join a Parish Cell Group. Fr Michael Hurley, who brought the PCM to Ireland (and a world renowned expert on it) is coming to share his experience and advice.

We will contact soon all those who have expressed an interest in exploring the life of the Cell group experience. Alternatively, if this is new to you, and you feel you would like to explore some of this potential yourself, just come along on the night.
