

## A brief overview

My name is Peter Nwigwe, one of the Priests in St. Patrick's & St. Brigid's Celbridge and Straffan Parish. I am training at Mater Hospital as a Healthcare Chaplain. I have my Parish Pastoral Placement here in Celbridge and Straffan to help me get practical experience of my course since restriction and the closure of some wards in the Hospital due to covid-19 have made it difficult.

I will be running the program with the theme 'loneliness vs solitude'. The talks will be during the weekend Saturday at 11am and on Sunday at 1pm. I will be available for ministering to people during the week on Monday/Wednesday and Friday from 11am to 12pm & 3pm to 4pm.

This encounter is open to everyone with or without religion especially those who feel lonely, the elderly or cocooning. I care deeply and I am available for you to speak to me today. I am here for you and will accompany and be with you where you are. It is strictly through phone calls, message or email. You are welcome to join me today at 1pm. Feel free to ring me, if you want on the following contacts.
